TO : Acting Director of Training

DATE: 23 December 1959

FROM : Plans and Policy Staff

SUBJECT: Weekly Activity Report #49

1. "Sight-N-Sound" Training Code Course

Upon the verbal suggestion of Acting Director of Training, [] contacted [], Office of Communications, and told him that we would assist in investigating the "Sight-N-Sound" course of code training, as modified and used by Ft. Monmouth. It was suggested that [] contact the local Army Signal Corps to see what information they had on this and also, if proper, make liaison with Ft. Monmouth and set up a visit there for a representative of OC and [] to see the training in action and to obtain course and training materials. This liaison will be accomplished shortly after the first of the year. [] also contacted [] to determine his interest in and knowledge of this technique in language training. [] desired to know more about this technique. It was thought that [] (author of the reinforced training procedure) might be able to furnish more detailed information []

[] suggested that an approach to [] might be made through the "Interagency Language Training Roundtable" committee (composed of [], USAF, State, USIA, and others). It was decided, however, to withhold any such contact until the Ft. Monmouth was investigated.

2. Proposed Agency Notice on Dependent's Briefings

On 18 December Mr. [] in connection with the proposed Agency Notice about Dependent's Briefings which Mr. [] will draft.

3. Planning for Permanent Buildings

On 18 December [] discussed with PPS some of the background of the planning for permanent buildings []. He also indicated that Site Surveys being prepared [] would be ready within the next week or two.
